

iMaths 3 Investigations and Topics

The grid below shows the 12 Investigations and the associated Topics.

Investigation	Page	Topics
1 How do I measure up?	20	MG1 Measurement with metres MG2 Measurement with centimetres MG3 Grams and kilograms SP3 Column graphs SP5 Interpreting graphs
2 It's on the cards	28	MG6 Clocks – past the hour MG7 Clocks – to the hour MG8 Seconds, minutes, hours, days MG11 3D objects
3 Kilogram quest	36	NA9 Mental strategies for addition NA10 Written strategies for addition NA18 Multiplication problem solving NA19 Division facts 2, 3 NA20 Division facts 5, 10 NA21 Division problem solving NA22 The turnaround and grouping rules MG3 Grams and kilograms
4 Slide show	44	NA26 Models and symbols for fractions NA27 Fractions on a number line NA28 Fractions as division
5 Smarty pants	52	NA15 Multiplication facts 2, 3 NA16 Multiplication facts 5, 10 NA17 Multiply by 10 NA23 The distributive law NA24 Multiplication 2-digit x 1-digit (no regrouping) NA25 Multiplication 2-digit x 1-digit (with regrouping) SP2 Organising data SP4 Picture graphs SP5 Interpreting graphs
6 Trash or treasure	60	NA8 Addition and subtraction facts NA29 Australian currency NA30 Equivalent values of money NA31 Tendering cash NA32 Giving change NA33 Simple budgets
7 What's in 1000 words?	68	NA1 Odd and even NA2 Place value to thousands NA3 Place value to ten thousands NA4 Number expanders NA5 Expanded notation NA6 Round to 10 NA7 Estimation strategies MG5 Area
8 Picture perfect patterns	76	NA19 Division facts 2, 3 NA20 Division facts 5, 10 NA34 Number patterns MG15 Symmetry
9 Sprouting surprises	84	MG2 Measurement with centimetres MG4 Litres and millilitres MG9 Days, weeks, months, years MG10 Calendars SP1 Probability SP2 Organising data
10 Top team	92	NA9 Mental strategies for addition NA10 Written strategies for addition MG1 Measurement with metres MG2 Measurement with centimetres MG8 Seconds, minutes, hours, days
11 Big spender	100	NA6 Round to 10 NA11 Mental strategies for subtraction NA12 Written strategies for subtraction NA13 Subtraction to three digits NA14 Backtracking NA29 Australian currency NA30 Equivalent values of money NA31 Tendering cash NA32 Giving change NA33 Simple budgets
12 Follow Freddy	108	MG12 Angles MG13 Map references MG14 Direction – turns MG15 Symmetry MG16 Flip, slide, turn
